

New Carolin Gold Corp. Announces New Director

December 01, 2020 - New Carolin Gold Corp. (the “Company” or “New Carolin”) (TSXV: LAD | OTCBB: LADFF): New Carolin is pleased to announce that Dr. Kent Ausburn, Phd, P.Geo has joined the Board of Directors.

Dr. Ausburn is a senior exploration geologist and mining-entrepreneur with over 31 years of worldwide experience in the exploration/mining industry. Throughout his career, Dr. Ausburn has been directly and peripherally involved in several significant ore deposit discoveries and development, including the Castle Mountain Au Mine, Bullfrog Au Mine, and Morning Star Au Mine. Previously, he was the co-founder and VP Exploration of Tournigan Gold Corporation, where he was responsible for the identification, generation, and acquisition of a high-quality portfolio of gold projects in Northern Ireland (Curraghinalt Au deposit) and Slovakia (Kremnica Au deposit), and uranium projects in Slovakia (Kuriskova U deposit) and western USA (Wyoming, Arizona, South Dakota). Currently, he is focused on recognizing, acquiring, financing, and exploring/developing quality mineral deposits throughout the world. He is associated with an international network of technical and financing-oriented mining professionals.

The Company also wishes to announce that, due to other demands for his time, Chris Taylor has resigned from the Board. Chris's business and geological expertise have been valuable resources for the Company and management is grateful for the service he has provided and wish him continued success with his other projects.

About New Carolin Gold Corp.

New Carolin Gold is a Canadian-based junior company focused on the exploration, evaluation and development of our 100% owned property consisting of 144 square kilometers of contiguous mineral claims and crown grants, collectively known as the “Ladner Gold Project” (Project).
